SVCC offers a flexible plan to pay your space fee. Watch for three different time-sensitive price points: early, regular, and late entry fees.

SVCC will accept cash, checks, or credit card payments for your event spaces. We accept MasterCard, Visa, and Discover. Please note that we will charge you \$35 to cover bank fees *each time* your check is returned for *insufficient funds*.

### Hold Options

*Can't pay in full right away?* Hold your space by sending us a non-refundable \$20 per space deposit. Pay the balance due by the middle of the regular payment period. See individual applications for fees and dates.

*Want to hold your space* but worry about forgetting to follow through? Send us a post-dated check to cover all space fees. Please be sure that the date you use for your check falls before the middle of the regular payment period. See individual applications for fees and dates. When using this option, please send separate checks if you wish to participate in both events.

## Communications Process

As much as possible, SVCC will communicate with you through email and through our website ([www.PaRivertowns.com](http://www.PaRivertowns.com)).

***In lieu of mailed confirmation cards, your space number and any other information will be emailed to you.*** Please be sure your application includes an email address that you check regularly. Please type or clearly print your email address.

We understand that some vendors may not have an email address. In those cases we will mail your confirmation card.

Make a note of your space number. Having it available when you arrive for the event helps to facilitate the set-up process.

Please check our website periodically for announcements and updates that we need to call to your attention.

## Space Confirmation

Decisions to utilize the rain date will be posted by 5 pm the evening before the event. If you are unable to attend on the rain date, no refund will be issued. If SVCC cancels *on the rain date* a 50% refund will be issued to vendors.

If personal conditions cause you to be unable to attend a show for which you are registered, SVCC will not issue a refund. However, we are aware that unforeseen situations arise. ## General Information (continued)

### Sales Tax Number

Vendors are required to provide a valid PA Sales Tax License Number in the space provided on the application page. These numbers are verified by state officials prior to the event date through the Harrisburg office. Vendors who are non-compliant will hear directly from this state office and will not be able to participate unless the problem is resolved.

All vendors selling new or used merchandise within the State of Pennsylvania are required by law to have a Pennsylvania State Sales Tax License. Even if a vendor sells only once or twice a year, it is still necessary to have a license because, according to the law, the sales are in competition with other vendors also selling. There is no fee involved in obtaining a license. PA sole proprietor vendors who come to more than two shows a year and all in-state or out-of-state corporations must complete the PA-100

form. It is suggested that this form be completed and submitted online so you will be able to receive your tax number within one week. Access it online at [www.pa100.state.pa.us](http://www.pa100.state.pa.us) and click on PA100 Registration. Out-of-state sole proprietor vendors may download the PA-518 Transient Vendor application. If you have any questions or need assistance in filing, you may contact the Department of Revenue at 717-425-7700 and ask for the agent on duty. You may also access [www.revenue.state.pa.us](http://www.revenue.state.pa.us) if you wish to research anything further online.

SVCC will accept only vendors with a valid, compliant sales license tax number. Do not confuse your sales tax license number with your federal EIN number or an exemption number.

### Space Restriction

Vendors may not purchase an additional space for either event for the purpose of parking a vehicle. Spaces must contain appropriate product for sale.

### Emergencies

Emergency services are provided on site during each event. For **ANY** emergency situation that arises, please dial 911.

### Shuttle Services

Shuttle services are provided for the use of our event customers. These shuttles **WILL NOT** be operational during set-up or tear-down times. Please refer to specific event information found elsewhere in this literature for vendor parking information.

3. All vendors in the art and craft category will be screened for quality. Applications that are declined will be notified in writing. Payment will be returned with notification.

This event typically draws shoppers looking for handcrafted, specially-made or unique items. Thus, SVCC reserves the right to refuse assignments to anyone offering commercially produced items. **WE DO NOT ACCEPT applications for flea-market type items, business displays or literature handouts.** Inclusion is at the discretion of the screening committee. **We do not accept re-sale items! 17. Streets close at 5 am at which time vendors may start to set up. All vehicles, unless assigned a space on the north side of Locust Street, must be removed to parking areas as directed by 7:30 am. Vendors arriving after 7:30 am may be turned away. Spaces unoccupied by 7:30 am may be filled at the discretion of event staff with no refund to original vendor.
18. Vendors are responsible for the set-up, tear down and clean up of their space/area. Tear down cardboard boxes and packing materials and place them next to the Borough trash containers, not in them.
19. Vehicles are **not** permitted to drive into Locust Street Park for set-up.
20. Vendors must keep display up for the duration of the event. Tearing down before 2 pm is not permitted. Insurance restrictions prohibit vehicles from entering or leaving the event area until directed by event staff.
21. All display racks, tables, chairs, canopy, coverings, etc. are to be provided by the vendor. Tables must be attractively covered to the ground with all packing, boxes, etc. out of sight.
22. In cases where the rain date must be utilized, no refund will be issued for vendors who are unable to attend.
23. Failure to appear or early withdrawal from the event could jeopardize future participation.
24. Failure to comply with any of these rules and regulations will jeopardize future participation.
25. By signing the vendor application, vendor agrees that he/she will comply with the Antique, Art and Craft Show rules & regulations found on this page. Noncompliance will result in removal from the event with no refund. # 2017 Antique, Art & Craft Show

## Event Information (continued)

### Screening Process

In an effort to control and upgrade the quality of this show, the SVCC Board of Directors has implemented screening measures. **Screening will apply to all art and craft vendors for 2017.** ALL vendors are asked to provide at least three color photos of your items and one of your display/set-up. Please follow these guidelines when relaying your photos to SVCC.

- Images may be mailed or emailed
- Images may be found on your website (please provide web address)
- Images may be good quality color photocopies

Photos will not be returned. Our screening committee will review these images for acceptability. If questions arise, you may be requested to provide samples of your work. Please refer to Number 8 in the Antiques, Art & Craft Show Rules and Regulations. Due to the annual change in screening committee membership, some previous years' vendors may not be renewed. Decisions are at the discretion of our screening committee. *No screening fee is charged.*

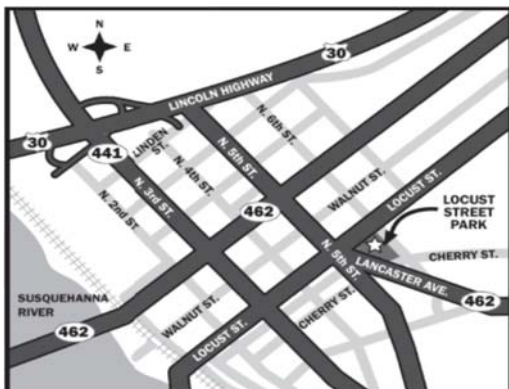

### Changes This Year

SVCC announces three changes for the 2017 Antique, Art & Craft Show.

- Vendors on the Locust Street side of the Park and the Lancaster Avenue (Rt 462) side of the Park are asked to leave a 5 foot open walkway between the curb and the front of their stands. This will encourage guests to stay on the grassy area and visit all vendors in these regions.
- A rain date of July 8, 2017 has been established for this year's show. Vendors who are unable to attend on the rain date will not be issued a refund. However, failure to show in this instance will not impact future participation as long as advance notification is received by SVCC. ## On the Bridge Instructions

All vendors must enter the bridge from the Columbia side. Extra vehicles must exit on the Wrightsville side. Your space includes room for one vehicle. Traffic flow and time management work best when each vendor takes only one vehicle onto the bridge. There is no transportation service provided during set-up or tear down times.

Vendors must unload quickly and remove extra vehicles before setting up. Call 717-684-5249 with any questions prior to the event. Overflow vehicles should be parked in one of these areas:

- **The John Wright Restaurant**—Wrightsville side  
Exit the bridge, making a sharp right turn onto Hellam St. At the stop sign, turn left onto Front St. Proceed to the parking area marked by "Vendor Parking" signage.
- **Rotary Park**—Columbia side  
Vendors must exit the bridge on the Wrightsville side. Proceed west on Hellam St. Turn right onto Cool Creek Rd at traffic light, continue to Rt. 30 E entrance. Follow "Directions to Event" for arrival *From the West (York area)*.

There can be NO moving vehicles on the bridge after 7:30 am. Vendors must remove extra vehicles by 7:30 am. Vendors arriving after 7:30 am will NOT be permitted to drive onto the bridge for safety reasons. These vendors will be either turned away or directed to another space, if available.

During the day vendors may find use of our Bridge Shuttle helpful. This bus runs throughout the day from one end of the bridge to the other using Route 30. This may be helpful in accessing your second vehicle or your space.

There are over 30 regular portable toilets located along the bridge. In addition, at least 2 handicapped units will be found at the ends of the bridge.

## Tear Down

Admission gates are dismantled at 3:30, but the event continues until 4:00. **Vendors may not tear down before 4 pm.** Failure to comply may jeopardize future participation in this show. All vendors must exit the bridge at the show's end using the Wrightsville side. Any vendor who does not follow this rule will not be invited to return.

Vendors must be off the bridge no later than 5:45 pm. This includes thorough clean-up of your area. Please tear down cardboard boxes and stack them next to the trash bins, not in them.

The bridge must be re-opened by the police department at 6 pm. Please abide by this policy so that we may continue to receive approval from the State for future bridge closings.

## Changes This Year
